

KATRINA

Circular Dual Distribution Luminaire

BIRCHWOOD
lighting

KATRINA

Our stylish direct or direct/indirect circular luminaire, KATRINA offers elegant architecturally pleasing design while delivering efficient and even light distribution. Single piece seamless frosted white acrylic lens, aluminum housing, integral driver and multiple LED color temperatures and custom lumen output.

Suspended horizontally with aircraft-cable and offering optional direct and indirect switching capability, KATRINA produces dual continuous rings of light from a 5/8" extended lens from a 6" tall and 3 1/4" profile housing. Surface mounted applications are also available as a single direct light source. Available in both nominal 2' and 4' diameters.

KATRINA 4'

KATRINA 2'

Features and Benefits:

- LED light engines available as HLO (High Lumen Output), SLO (Standard Lumen Output) or CLO (Custom Lumen Output)
