

TORi

Minimalist Linear Fixture

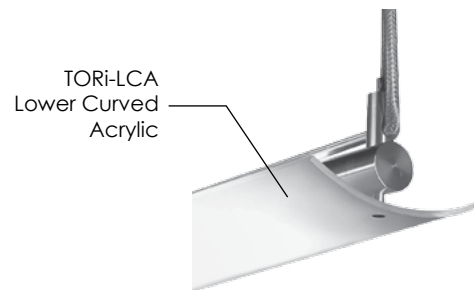

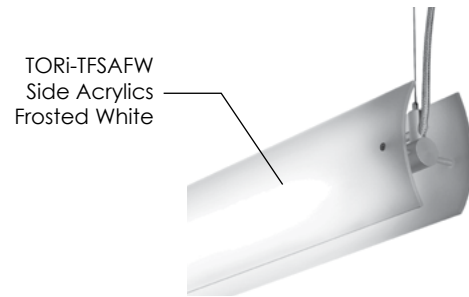

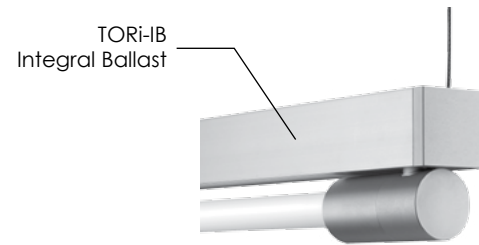

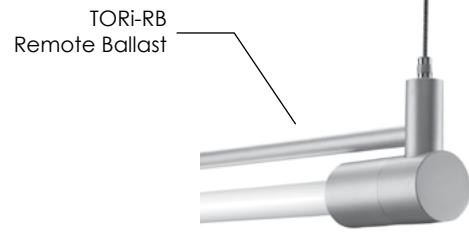

BIRCHWOOD
lighting

Remarkable in any setting, unique in design, uncompromising in style, and the true definition of an Original: TORi.

With TORi, creating an atmosphere of chic elegance is not only possible, but easy. Cable-suspension mounting conveys the illusion of a 'floating' luminaire, or choose surface mount option to illuminate walls or ceilings with a smooth graceful brilliance via the ultra-slender profile. Acrylic lenses or aluminum reflectors are available to create a gorgeous diffuse glow while obscuring the lamp.

Designed to create a sensation in every application, TORi offers such a vast selection of options it's no wonder that she is one of the most popular luminaires in any room.
