## **WALL WASH AND WALL GRAZE ADDED TO JAKE LED RECESSED FIXTURES FROM BIRCHWOOD LIGHTING**

**New Product Introduction:** JAKE LED Wall Wash and JAKE LED Wall Graze are recessed linear luminaires comprised of various LED light source options delivering high performing even illumination into the desired area. JAKE LED Wall Graze and Wall Wash can be installed in gypsum ceilings or walls with either a 3/4" Trim (TR) or Trimless (TL) mud-over flange. T-grid models for drop ceilings are also available.

JAKE LED Light Engines and dimmable driver components, when combined together, provide optimal LED lighting system capabilities.

**Design:** Birchwood Lighting In-House Product Design Team

**Manufacturer:** Birchwood Lighting

**Product Applications:** JAKE Wall Wash and Wall Graze are U.L. dry-listed recessed luminaires suitable for interior applications. Recommended for: Offices, Corridors, Retail or Interior Commercial applications.

**Product Description:** JAKE Wall Wash and Wall Graze has been designed to deliver efficient recessed linear illumination from within a minimal housing aperture fixture profile. JAKE Wall Wash is a 3.5" aperture profile, JAKE Wall Graze is a 4.0" aperture profile. Available in nominal lengths from 2' - 8' as well as continuous runs. Extruded anodized aluminum housings, Integral drivers and power supply components are accessible through the lens opening and from below the ceiling.

**Construction and Finishes:** Heavy-gauge extruded anodized aluminum housing, formed-aluminum LED liner. Trim (TR) style available as Satin Anodized Aluminum finish or Matte White power-coat painted finish.

**Ordering Information:** Information and pricing for JAKE LED luminaires are available from Birchwood Lighting at 1302 E. Hunter Avenue, Santa Ana, CA 92705.
