

Multi-Application

When envisioning traditional back-stage theatre make-up mirrors, vanity or beauty salon stations, or perhaps even footlights, WP SYSTEM's Medium Base Strip Fixtures are the perfect choice to deliver light and set the tone with gorgeous, glowing illumination.

Contrary to current trends, incandescent lighting still remains a preferred way to light many applications, and WP SYSTEM's Medium Base Strip Fixtures offer the ideal solution for these unique projects.

With a small housing profile of 2 3/4" x 1 7/8", and standard nominal lengths from as short as 1' and up to 6' long, mounting possibilities for WP SYSTEM's Medium Base Strip Fixtures are easy and versatile.

Fixtures will accommodate medium based LED or incandescent lamps and offer optional wire guards or baffle accessories to help protect the lamp and direct light to specific locations.

 UL and c-UL listed for dry and damp locations.

Made in the USA

## FIXTURE SPECIFICATIONS

### Construction

Heavy gauge aluminum construction. Post-formed high reflectivity white powder coat finish provides smooth edges, rust-resistance and even coverage on entire fixture.

### Lamping

Accommodates up to 6 incandescent or LED medium base lamps. Lamps are available as 6" on center (o.c.) or 12" o.c. mounting. Will accommodate up to 75W lamps.

### Finishes

Post-formed high-reflectivity white powder coat finish. Custom colors available - consult factory.

### Mounting

Suitable for surface mounting in multiple applications. Ideal for dressing room or make-up mirror applications. May be used in cove or soffit. Mounting clip (MC03) option available for extra surface mount stability.

### Fixture Length

Fixtures are available in nominal lengths of 1, 2, 4, and 6 feet. Continuous run mounting and thru-wire compatible.

### Options

(WGR) Round Wire Guard, or (BFL) Square Baffle matches the finish of the fixture.

### Custom and Mods

We proudly specialize in manufacturing custom and modified luminaires and have the ability to modify most of our standard fixtures. Please contact factory with any inquiries.
