

HAILEY

Round Linear LED

HAILEY Round Linear LED

CUSTOM ALTERNATING DIRECT/INDIRECT FIXTURE CONFIGURATION

HAILEY's elegant round linear profile offers a large variety of mounting, lens, LED and fluorescent options.

Choose from 1.25", 2.25" or 3.25" diameter extruded aluminum profiles. Adjustable aircraft cable suspension is a standard feature of HAILEY and is available in various lengths. Rotational function combined with arm (RAS), cable (CSS-R) or stack light (STK-RAS) mounting, can allow up to 361° lockable aiming for precise light distribution on the vertical, horizontal or ceiling plane. Continuous run installations provide endlessly straight runs while delivering efficient illumination. HAILEY is sophistication, versatility and efficiency combined to elevate your specification. HAILEY is available with LED or fluorescent light source options.

Construction:

- 1.25", 2.25", & 3.25" round profiles
- Extruded aluminum housing 1/4" thick precision machined aluminum end-caps.
- Extruded frosted acrylic lenses
- Custom powder coat finish colors

Performance Optics:

- 4000K (FW) Frosted White Lens
- Custom dimming available

Electrical:

- (225) Integral or remote power supply
- Optional 1% dimming
- UL & cUL listed for dry & damp locations
